Comment On: EBSA-2010-0018-0002

Group Health Plans and Health Insurance Issuers Relating to Coverage of Preventive Services under Patient Protection and Affordable Care Act: Amendment

Document: EBSA-2010-0018-DRAFT-0669

Comment on FR Doc # 2011-19684

Submitter Information

Address: Washington

General Comment

Under the First Amendment to the Constitution of the United States, Congress does not have the right to prohibit the free exercise of religion. Organizations and businesses are owned and run by people who make decisions based on their worldviews. Forcing these people to purchase a health care product, even if it is purchased for someone else (i.e. their employees), which violates their consciences is unconstitutional and an attack on religious freedom.
